

The background of the advertisement is a photograph of a hospital room. It shows a hospital bed with a white pillow and a blue blanket. On a wooden bedside table next to the bed, there is a pink bowl filled with various fruits like apples, grapes, and bananas. Above the bed, a white head panel is mounted on the wall, featuring several electrical outlets, a digital display, and medical equipment ports. An orange semi-transparent banner is overlaid on the bottom half of the image, containing the main text.

WHEN LIVES RELY
